Message from the Head

Dear parents and carers,

A quiet, fairly uneventful beginning to the summer term. I wanted to thank Evie and Caitlyn for organising the sponsored run and teddy bear and cake sale to raise funds for a Hitchin boy called Ethan. Ethan suffered an accident whilst on holiday and is paralysed from the waist down. The girls were touched by his story and wanted to help his family with some much needed funding. I'm very proud of you girls. The sponsorship forms will be sent out today.

Our Christian value this term is truthfulness and I am excited that we will have four or five guests from Offley Church and Stopsley Baptist church talking to the children in our Wednesday collective worship assemblies this term. I appreciate their time very much.

When I first joined Offley almost seven years ago, one of the first changes I made was to update the school web site. It has served us well, but I've decided that it needs a new face lift and this is something that we're working on at the moment. I'm hoping the new design will go live in the next few weeks, so please have a browse once it is completed. The web site has so much information within its pages from diary events, the school menu, curriculum pages for each year group and hundreds of other snippets of information.

Finally, please don't allow peanut butter sandwiches in your child's packed lunches. We have children allergic to nuts and peanut butter could cause a very nasty reaction if these children come into contact with it.

Have a lovely weekend.

Mr Edwards and Sir Bandalot.

Maggie and Otilie read out their spring poems in assembly today. Mrs Clark had tasked eco-club to write some poetry and these two girls wrote lovely poems and read them out confidently. Well done girls.
