We had a lovely Church service for the Harvest festival last week. The younger children sang some beautiful harvest songs and the choir were at their very best. The children can be seen loading loads of food for Feed up warm up. Thank you for all the food and gifts.

Have a lovely weekend.

Mr Edwards and Bandit.

You may have noticed the attendance at Wembley for the England v Greece game last week. 79,012 to be precise and the 12 were the children from Year 6.

Despite the 2-1 loss, the trip is brilliant for the wider opportunities curriculum that we are so passionate about. We plan to do another Wembley trip later in the year.

Year 6 took a trip to Letchworth this week for Crucial Crew. They learned about CPR and dangers around the home. Mrs Warne said that the children were brilliant and some vital life skills have been learnt.

Charities and School funds. The school community is fantastic at raising money for both school funds and for charities and your generosity is very much appreciated. The Christmas card and gift designs, organised by Becky Wisbey, has provided around £400 for the OSA and will be used for future projects to support your children. The MacMillan cake sale raised over £270 and Just One Tree today has been a huge success resulting in the school surpassing 500 trees being planted to help the planet.
