### **New Spanish classes – Starting this September!**

**Thursday lunchtimes – 30 mins (Reception, 1 & 2)**  
**Thursdays after school - 45 mins (1,2 & 3)**

Let me introduce myself, I will be starting new Spanish lessons from September.

My previous experience is being a peripatetic teacher of London Academy of Music and Dramatic Arts (LAMDA). I lived in Mexico and I immersed myself in the Mexican and Spanish culture. Both my children were born there and we speak Spanish at home.

I already know the Offley children as a Teaching Assistant within the school and I constantly greet the children throughout the school day in Spanish!

For those who have had previous Spanish lessons at Offley, we are offering classes after school on Thursdays for an increased time of 45 minutes (until 4pm) as intermediate Spanish classes.

The curriculum we will be covering is in line with the Government guidelines;

Speaking – repetition of words already learnt and new vocabulary and asking questions.

Listening - to songs, some Spanish clips and dialogue.

Reading - some children's books that are written in Spanish.

Writing – Creating their own flashcards which will be taken home for homework/support at home.

Grammar – Verbs in the first person and present tense

Geography

Parts of the body

It would be useful if they can bring in their existing folders, for us to establish their prior learning.

We will also be offering a beginner's class on Thursday lunchtimes (30 minutes) to those who haven't had any previous lessons. We will start by covering;

Alphabet in Spanish (phonics)  
Greetings  
Food  
Family  
Animals  
School  
Days of the week/months  
Numbers  
Seasons

As you can appreciate costs have been reduced and times increased from previous lessons, any money will be reinvested into reading materials for the children.

If you have any questions, please email the School office who will pass them on.

Kind Regards

Miss C Pymar
