Message from the Head

Good afternoon. Just a couple of things to mention this week and a few information flyers including a letter from Sir Kier Starmer and information about October half term camp.

Have a great weekend. Mr Edwards and Bandit.

There are planned road closures between 15th-19th September in the Village to put in flat top tables, cushions and a junction speed table at the end of School Lane. I have spoken to David Barnard and I am imagining very little disruption. I will talk with the manager on site during the day on Monday.

Please remember to send your child in with a jacket or rain mac. We have had some very sudden downpours this week and a surprisingly high number of children do not have a waterproof.

Thank you to everyone meeting the teachers this week. Hopefully you enjoyed finding out about the curriculum, expectations, homework and many other snippets of useful information.

Easyfundraising. You have helped raise almost £50 this week just by shopping via Easy fundraising. It is great to see so many new people joining our school community and choosing to shop this way. You have raised £3,675 so far for the OSA. Every time I shop at Amazon, I just shop via the Easyfundraising app to direct some pennies our way. Remember, there are over 65 retailers including EBay, Sainsburys, Etsy, Moonpig, M and S, John Lewis. Just search Easy fundraising and look for Offley as the cause. Thank you.
