Message from the Head

It has been a very exciting few weeks as the term draws to an end. Sports day was attended by so many parents and the children were brilliant in quite warm conditions. I took the rounders team to St Ipps and they narrowly lost out in the hunt for the gold medal, but played brilliantly to get a silver medal each. Team photo below.

We can now look forward to the Key Stage 2 production next week; another highlight of the school year.

I hope you have an enjoyable weekend in the sunshine. Keep safe in the heat.

Mr Edwards & Bandit.

We are hoping to reduce our carbon footprint considerably with the installation of 114 solar panels. We should be generating our own electricity by the end of next week. EB Solar have done a very professional job and I am delighted with the results so far. Mr Edwards

We welcomed Sophie Wiggins from ITV News on Wednesday & after a few 'takes' Sophie had captured the information required. We featured on the news at 6.20pm & the whole team behind writing 'Move towards the light,' should be filled with pride. Our year 6 have helped write a song that will be performed around the country at Young Voices concerts in the new year. Over 200,000 children will learn the lyrics that they have written. It is such an achievement. Mrs Warne & Mrs Clark should take great pride in allowing these children to thrive in music lessons to reach this point. The year 6 children have been invited to The O2 where their song will be sung in a venue hosting 8,000 children and over 10,000 adults!

On Thursday, the year 6 children went to their new schools and everyone else was involved in the transition day to their new classes. We welcomed new Early Years children & parents and the new year 4 / 5 teacher. Mrs Brogan did a lovely lesson with her new class. Welcome all.
