Message from the Head

The annual Lilley walk was a lovely way to end 'Walk to school week' just before half term. We made the two and a half mile trek over the hills in just over an hour and once again, the reception children did amazingly well, supported by their year 6 buddies. The OSA laid on some soft drinks and biscuits in Cassell Hall and Reverend Katy Little led a lovely service in the Church before the children went home for a well deserved break for half term.

You'll notice lots of building work around school at the moment. These projects should start coming together over the coming weeks, especially if the weather improves.

Have a great weekend.

Mr Edwards & Bandit.

Offley Endowed Primary School and Nursery Newsletter : 6th June 2025

During the week before half term, the children took part in a week of activities linked to our well-being week. In early years and key stage one, the children had four themes; Learn something new, connect, be active and take notice. The activities included learning some Spanish, making friendship bracelets, circus skills and mindfulness led by the year 6 children. The Key stage two children did a dance workshop and had an introduction to journaling.

Many thanks to Mrs Ottolangui for organising the event across the school.

The Zig Zag lines are being painted next week. Please do not park on them.
