Message from the Head

Good afternoon.

What a beautiful September afternoon. It was a pleasure giving out all of the awards and certificates in our celebration assembly this morning and watching the whole school dancing to 'celebration' was a perfect way to spend my birthday.

I wanted to thank a family for their kind donation of £1k that has been put towards the steel drum stands that are on order from America. I am hoping they will be with us in October. I'll keep your name anonymous, but we are all very thankful for your generosity.

Have a great weekend. Mr Edwards and Bandit.

My next hot chocolate with the head will be with Lucas and he asked to bring Dexter along with him.

The Reception children have settled into the routine of learning and on my learning walk this morning; all the children were engaged, happy and taking it all in. We have a great team in Early years this year consisting of Mrs Skeggs, Miss O'Connor, Mrs Atkinson, Mrs E Wood, Mrs R Wood, Miss Beresford, Mrs Pymmer and Mrs Stoner. The children were so relaxed and happy and I was super impressed with the 'name wall!' Evie and Lyla proudly show me their names here. Well done everyone. Mr E.

Year 4 modelled their bottom teeth in Science this week. They excelled. Well done.

'The Pod' looks fantastic and with the addition of some drop leaf tables and chairs, the room will be completed. The children have already started some learning activities and all agree that it is a fabulous room.

It was a lovely mid September day for some outdoor basketball today. Here's to a sunny weekend!
