Message from the Head

Good afternoon.

I'm pleased we have a box full of archives. The handwriting of Headmasters from days of old is always immaculate ...

April 9th 1901 ... several boys punished for throwing stones at a frog.

July 3rd 1901—Government Report

The Inspector reports the discipline is praiseworthy, the upper classes have on the whole been well taught.

Sewing is very good, and there has been improvement in Object lessons. The progress of the third class is much affected by inattention, which is partly the result of faulty classification. The walls should be re-coloured, and the kindergarten desks are still too far from the seats.

E Paine—Infants mistress

I wish Ofsted inspections were that short and concise.

July 5th 1901—Scarlet fever in the village.

August 2nd—School closed for 5 weeks Harvest holidays to Sept 9th.

I think I prefer being a Headteacher in 2025.

Have a lovely weekend. Mr Edwards and Bandit.
