Hot chocolate with the Head

Today I will catch up with Laura and Kaitlyn. Last week Luiza and Isabel entertained me and we all laughed a lot.

We learned so much from the visit this week from Herts vision loss. The children asked some great questions and we were all blown away with the technology that is now helping people with visual impairment. Thanks to Vanessa, Tina and Maureen for their time. We have sent the organisation over £150. Thank you for your contributions.

Message from the Head.

Where did that half term go? Another great week at Offley with so much going on. I was super impressed with Wojtek this week. His computer workshops making and programming robots were inspirational. I'm hoping to get him back soon. This was paid for by your super efforts raising money with Easy fundraising. So many of us are getting pennies here and there from Amazon and booking.com are super generous. I just got nearly a fiver for paying for Luton Airport parking. Keep using the app so we can pay for more workshops for your children.

Have a great half term and don't forget to be early on the first day back Year 2. We're off to Cambridge.

Mr Edwards and Bandit.

KS2 Computing workshops.

On Thursday morning, we had an amazing computing workshop. We made fighting robots made out of complicated Lego pieces. It was a great experience and we hope to have more opportunities like that. Everybody did very well and nobody got annoyed because their creations got destroyed. We learnt that teamwork is the key. Lily Hall, Ralphie and Isla.

Breakfast club watching 'Danny Go' with the boom whackers ... brilliant !

On Wednesday Ukulele club went to the care home at Milford Lodge to play ukulele to the residents. We played a selection of songs: Yellow Submarine, Eye of the Tiger, Sweet Caroline and much more. Years 3 to 6 can join ukulele club and experience these events too. The beginners have only been playing for 4 months and did very well. The advanced group have been playing for a range of different times. We loved our outing to Milford Lodge. Thank you Mrs Clark. Lily
