Message from the Head.

I have spent the last couple of weeks in and around the classrooms doing lesson observations. The quality of teaching and learning has been exceptional across the school and I have seen such varied teaching styles, geared towards the different ages and stages of the children across the school. We have wonderful teachers and support staff here at Offley and I'm very proud of all of them.

I hope you have a lovely bank holiday weekend.

Mr Edwards and Bandit.

Birthdays—We have celebrated the birthdays of Kolbie, Thomas P, Joshua U-E, Jax and Grace B.

Year two created Antarctic animals in their DT lessons. They had to create a linkage in order to make their animal move.

This was an independent activity and the children created penguins, elephant seals, whales and Stirling made an Artic Tern.

There were some fab discos last week. Jo Brogan did a fine job doing the DJing. Thanks to the Office and the OSA for organising the event that the children loved. We also raised £438.50 that will be spent on the children in the future.

In Rev Katy's Assembly this week, she told us about the seasons of the Church and how they are represented by coloured scarfs. The purple one represented lent and advent because the colour purple resembles remembrance. The colour white resembles Christmas and Easter. It is a celebration of new beginnings. In between the seasons the vicar wears a green scarf, representing 'an ordinary time' in the Church calendar. The next Church season is Pentecost and the scarf is red. The final scarf is pink and is used to celebrate Mother's day.

Another great event last week was the OSA quiz. Thank you to Mel for all her hard work getting this event off the ground. Also, the OSA were wonderful in helping out on the evening and Quiz master Brogan, did a fine job. Thank you to every one taking part ... another £721.00 into OSA funds.
