Newsletter : 15th May 2026

Message from the Head.

Year 6 have done a brilliant job with their SATs papers this week. No sooner had they completed the final paper and Mrs Warne has rolled the script out for this year's KS2 production and rehearsals have begun in earnest.

PHASE continue to support Offley pupils and are sharing their time between Year 5 and Year 6 with their transition program.

This week's newsletter is a photo extravaganza of Year 4 residential photos. Such an amazing trip for us all.

Have a great weekend everyone. Mr Edwards & Bandit.

## REWARDS

Don't forget that we have Sean Rose visiting next week ... please keep raising sponsorship money!

Sean is a world-class sportsman and adventurer. A double winter Paralympian, he won Britain's first Ski World Cup Downhill Gold and became a World Water Ski champion. A ski accident in 2000 left him paralysed, though Sean did not let that stop him. Retiring in 2013 as Britain's most successful alpine ski racer, Sean is now an inspirational motivational speaker, adventurer, and pilot.

We had a de-brief in the evening sharing stories, we did team building exercises, we paddle boarded and some of us managed to stand up and paddle. We went on a large boat and paddled around the lake and most of us ended up in the freezing cold water.
