Message from the Head.

It is with sadness that we will be saying goodbye to Mrs Clark at the end of this term. She has been such an integral part of our successful music department over the years and I firmly believe that she instils confidence and happiness in all of the children through her passion and teaching.

Our new music teacher in September is Mr Bronstein. He will also teach some private lessons on piano. Trumpet and trombone will also be offered as private clubs next year. We have a waiting list for piano, so between him and Marco, all children wishing to play piano will have their chance. Have a great weekend and enjoy the sunshine. Mr Edwards and Bandit.

Clean Air Day

What's been going on?

Chi came in last week to do some scootability with Key Stage 1 children. Mrs Ottolangui and some of the children talked about the importance of Clean air day in Thursdays assembly.

Olivia tickets are selling fast; be sure to get yours soon as we have limited availability. Please don't forget to fill in the wellbeing survey sent by the office yesterday. Thank you.

James, Theo, Eva, Harris, Ben and Izzy enjoying the Egyptian workshop. Izzy finding the screams of the embalmer particularly entertaining!

Cas Sanders, museum curator and learning officer from the North Herts Museum in Hitchin, visited Offley on Wednesday. Cas brought the Egyptian topic to life with workshops across Key Stage two. The children looked at artefacts, dressed up as the Egyptian jackal God Anubis, became embalmers and enjoyed the hands on learning. Many thanks to Cas and the museum for supporting our children.

Day	Date	Mth	Offley Endowed: Dates for your diary
