Offley Endowed Primary School and Nursery—Page 1

19th June 2026—Special Edition : Year 6 Residential : London June 2026

On Tuesday 16th June 2026, 15 excited children boarded the Offley minibuses and set off for London for a four day adventure. We began the trip with a visit to Harry Potter Studio tour in Watford. We settled into our Youth hostel and the adventures began. We crammed in visits to Covent Garden, the aquarium, Madame Tussauds, The Royal Mail exhibition with a ride on the mail train under London; there was a ride on the London Eye, a boat trip down the Thames, a theatre workshop, a walk to Buckingham Palace, a meal at Nandos and finally the viewing of Paddington at The lush Savoy. What a week and an unforgettable experience for all.
