Attendance

Well done to our Reception class who had 100% attendance last week. Our attendance over the year is at 96.9% against the national average of 94.5% There could be many explanations for this but the main one; our children enjoy coming to school!

Message from the Head.

I hope everyone is surviving the heat! It's been 38° getting onto my boat after work and remaining above 30° all night. I think I'm allowed to be a little stropky at the moment.

The children are more resilient than me and have taken the heat in their stride. There have been some brilliant events these past few weeks, as you can see in the photos. I'm excited for the production next week, followed by potted sports and the eagerly awaited staff v year 6 rounders match.

I'll be hoping for an England win against Norway tomorrow and a place in the semi final next Wednesday. Whispers of a bank holiday if we win the final !! Have a lovely weekend.

Mr Edwards and Bandit

On Monday, our year 1 class went to Whipsnade zoo for a school trip. It was really hot, but the children did very well walking miles and miles around the large site. Ms Pymar, Mrs Ras, Mr Edwards and Mrs Penny accompanied the children and although some of the animals were hard to spot, escaping the heat, the children had a fabulous time. The elephants and giraffes were two of the highlights.

Three great events recently. Last Friday was a beautiful day for sports day. 'Spencer' retaining the trophy. Mr Porter organised a different style of events this year and the children seemed to have a great time.

Last week Electric Umbrella came to school for a two hour lively workshop. Year 4 then headed over to St Albans Cathedral for the Electric Umbrella 'Shine a Light' concert on Tuesday 7th July. The children threw themselves into the concert, with brilliant singing and Makaton. Well done everyone for all of these events.
