Message from the Head.

It is with a heavy heart that I write the final newsletter of the year. My mum was the biggest fan of Offley and got to love reading the newsletters. She went completely blind over a year ago and my dad would continue to read them to her, right up until last week. Sadly, she passed away on Sunday night and will miss this final edition, with details of the KS2 play and summer fair. I know she was super proud of our collective achievements at Offley and she loved the staff and the children at this school as much as I do. Rest in peace mum!

And what an amazing end to the year we are having. The KS2 performances last week were on another level. The wonderful Mrs Warne producing three magical shows with the brilliant Mrs Clark preparing the children perfectly to sing so beautifully throughout. We have received so many complimentary comments from families, Governors, Rev Katy and friends of members of staff. It really did have a huge impact on so many people. Well done to the children for their amazing performances. You were all superstars!

We then had the summer fair. I wanted to say a big thank you to Mel and Claire in the office. Our fabulous OSA really came together on the day to make it a smooth and entertaining afternoon for the children. Special thanks to Michael and Jen Weeks, Camille Wilson and Justin Doherty, who I know took a day off work to help for the whole day. Thank you so much for your commitment. The children had a brilliant time and we raised more funds to go into the OSA kitty for our next project. (Funnily enough, I have some ideas...)

Next week we will be saying some farewells. Mrs Clark and Mr Porter will be hanging up their Offley boots. We wish them both all the very best for the future and thank them for all they've done at Offley.

Our year 6's also dance their way into the Offley sunset ... what a great year and so many memories to take away with them; culminating in the London residential and the school production. It was topped off with just brilliant SATs results this week. Each and every one of you should be immensely proud of the journey you've had at Offley and your secondary schools are very lucky to open their doors to you in September.

Enjoy your weekend everyone.

Mr Edwards and Bandit
