

ENGLISH

We are beginning exploring the poetry of Valerie Blooms, writing a selection of our own poetry with a focus on rhythm, structure, rhyme and imagery. Next, we will move on to narrative writing.

MATHS

Starting with place value working with million numbers, moving on to numbers with 3 decimal places. Then, multiplying and dividing by 10, 100 and 1000, learning formal methods for arithmetic and finally moving on to fractions.

SCIENCE

Year 4, taught by Mr Edwards, start with electricity and moving on to forces and magnets.

Year 5, taught by Mrs Brogan, will begin with learning about the human circulatory system and then move on to classification.

MUSIC

Year 4 will explore timbre, mood, tempo and dynamics through longer film clips. Then, develop rhythm through ostinati, improvisation, polyrhythms and music from different historical periods.

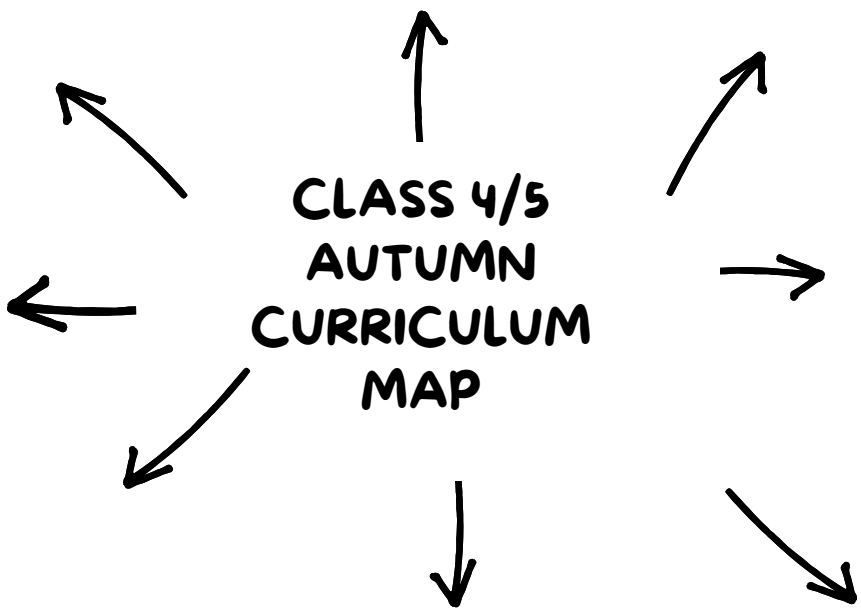

Year 5 will begin exploring musical structure, including rounds, loops, echoes and texture and then exploring major and minor tonality through composition, MIDI instruments and the theremin.

FRENCH

Year 4 will be building on conversational skills, positional prepositions, stating preferences and expressing agreement/disagreement.

Year 5 will be learning masculine/feminine agreements, connectives and exploring primary schools in France

CLASS 4/5 AUTUMN CURRICULUM MAP

TOPIC

Beginning with geography, we are exploring rivers and their features. Moving on to history where we will be learning all about the Ancient Greeks.

RE

Year 4 will begin with Islam exploring how Muslims pray and then Christianity considering what the most significant part of the Nativity story for Christians today.

Year 5 will be begin with Judaism exploring the importance of Rosh Hashanah and Yom Kippur and then move on Christianity exploring the validity of the Christmas story.

COMPUTING

Year 4 will be learning about online safety and programming with Scratch.

Year 5 will be learning about computing systems (search engines) and programming music with Scratch.

ART/DT

We will begin with art, creating our own portraits using mixed media with a particular focus on paint. We will be using our art to communicate ideas. In Autumn 2, we will begin DT where we will be creating our own helmets.

PSCHE

Taught by Mrs Grieves, we will begin with Healthy Choices and how these support our physical and mental wellbeing. In Autumn 2, moving on to connecting with others and examining respectful and disrespectful behaviour.

CLASS 4/5 AUTUMN CURRICULUM MAP

PE

PE will be on Tuesday and Friday taught by Mrs Buckmaster. This term they will be learning dodgeball, fitness skills and gymnastics.

I'm looking forward to a great year with Class 4/5!

We use classdojo primarily for dojo points, if you need to contact me please catch me on the playground or send an email to the office and it will get to me.

Homework will be assigned each Friday on mymaths, due the following Friday. Please ensure your child reads each night and their record is signed by an adult.

Thank you,
Mrs Brogan 😊
